

## **Instructions for MS/PhD candidates**

The candidates are requested to assemble in the **classrooms on third floor** of the Ocean Engineering department on arrival (8.00am).

After brief introduction, the candidates will proceed to the examination hall in batches for computer based written test.

The short listed candidates for interview will be displayed near the **Seminar hall** (2<sup>nd</sup> floor) by 11.30am.

Head of the Department will brief the short listed candidates in the Seminar hall by 11.30 am about the interview process.

It is mandatory for the short listed candidates to assemble in the seminar hall during the interactive session with the HoD

**Interview process will start from 11.30 am onwards with the introduction by Head of the Department.**

- A few students, possibly 8 in number, will have interview between 12.00pm to 1.00pm. We will inform you the schedule.
- Rest of the candidates will have interview from 1.30pm onwards (till 8.00pm).
- Candidates are requested to arrange their own lunch/food depending on their interview schedule.

Candidates are requested to check the website, [www.doe.iitm.ac.in](http://www.doe.iitm.ac.in), for any further notices.

*A few research project positions are available for both MS and Phd. The details are displayed on the notice board as well as in the website. For any clarification, please email to [headoec@iitm.ac.in](mailto:headoec@iitm.ac.in). (+9144-22574800)*

Head of the Department
